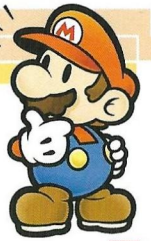
Save the Worlds!

In order to save the worlds, Mario must embark on an adventure to find all of the Pure Hearts. Use your friend Tippi's helpful advice and just keep going!



Basic Rules

Super Paper Mario is an action-adventure game where you control Mario, Peach, and friends. You will gain points and coins by defeating enemies. Collecting points will allow you to level up, which will increase your HP (Heart Points) and Attack power. There are many stages to explore, and each one has more fearsome enemies than the last, so be sure to level up as you go.

Clearing a Chapter

Hit the Star Block at the end of a chapter to clear it.

Game Over

If your HP falls to 0 after touching enemies or spikes, or falling into pits, or sometimes when you make the wrong choice in a dialogue selection, your game will end. When your game ends, you will have to continue from your last save point.

The Game Screen

The game screen has various helpful features. When Mario flips, you toggle between the 2-D and 3-D game screens.

HP

Your current and max HP (Heart Points).

Score

All of the points you have earned.

Coins

Number of coins you are carrying.

Flip Meter

Only appears when you flip. It will slowly decrease while you stay in 3-D. When the meter is empty, you will lose one HP.

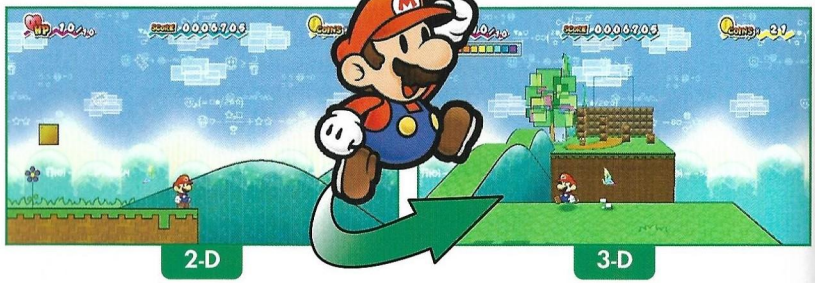
Character Techniques

Each character has a unique ability. Experiment with their abilities to find the best character for the situation.

MARIO

Mario has the amazing ability to flip between dimensions using Ⓐ! When Mario flips, everything shifts between 2-D and 3-D, revealing interesting secrets, hidden enemies, and a whole new perspective on the world. Most enemies appear only in one dimension, but some can flip between them. You never know what you'll see when you flip!



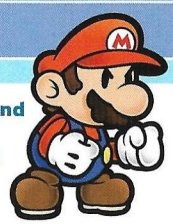
PEACH

Peach can float through the sky with her parasol if you press 2. She can also shield herself with her parasol by pressing down on ✣.

BOWSER

Bowser can incinerate enemies with his ferocious fire breath! Press down on ✣, and Bowser will breathe fire on anything in his path.

Pixl Actions



There are other Pixls besides just your helpful friend Tippi. Lots of Pixls out there have various helpful abilities. These are just a few of the Pixls you may find. There are others out there sleeping in the various worlds, waiting to become your friend.

1 Use Pixl Abilities

You can travel around with Tippi and one other Pixl at your side. You can use 1 to activate the powers of Pixls other than Tippi. Also, open the Pixls tab of your menu to swap out Pixls.

Important Items

These are items you will need to advance in the game. The Return Pipe works one way back to flipside. You can't use it to return to your previous location.

MARIO PARTY™ 9

For the first time in Mario Party history, players will have to work together to defeat bosses on each stage. Whether they're throwing shells at a massive Cheep Cheep or matching dice to take down Bowser, players must think fast and react quickly to come out on top. And that's just the tip of the iceberg – players will find themselves bowling shells at Goombas, making pizzas, and racing snowmobiles in this action-packed edition of the series. With 80 minigames, special challenge modes, and the franchise's first ever boss battles, players will never get bored of the board!

Pour la première fois dans l'histoire de Mario Party, les joueurs doivent coopérer pour vaincre les boss à chaque niveau. Qu'ils jettent des carapaces sur un énorme Aquazo ou qu'ils lancent des dés identiques pour mettre Bowser hors jeu, les joueurs devront prendre des décisions rapides et réagir vite pour gagner la partie. Mais ce n'est pas tout… Lancer des carapaces sur des Goomba comme dans un jeu de quilles, préparer des pizzas et faire la course en motoneige sont autant de défis que les joueurs auront à relever dans cette édition à l'action incroyable. Avec 80 mini-jeux, des modes aux défis spéciaux et, pour la première fois dans cette série, des combats contre les boss, les joueurs sont sûrs de ne jamais s'ennuyer sur les plateaux de jeu!

Por primera vez en la historia de Mario Party, los jugadores tendrán que trabajar juntos para derrotar a los jefes de cada etapa. Ya sea arrojando caparazones a un descomunal Cheep Cheep o emparejando dados para derrotar a Bowser, los jugadores deberán tener mucha astucia y chispa para ubicarse en la cima. ¡Y eso no es todo! Con locuras como jugar bolos derribando Goombas con caparazones, hacer pizza y hasta jugar carreras en motonieves, esta entrega de la serie está repleta de acción. Con los 80 minijuegos, modos de desafíos especiales y las nuevas batallas contra jefes los jugadores tendrán diversión asegurada.
